

General Catering Information

Menu Selections

The catering coordinator would be pleased to assist you in selecting or creating a menu to suit your specific needs and budget. All prices are presented per person unless otherwise stated. To ensure the availability of the menus selected, please submit your selections to the catering coordinator at least 2 weeks prior to your event. We will be happy to assist with short notice orders, although, in certain circumstances, menu selections may be limited. We will be pleased to assist you with any related catering and entertainment arrangements.

Ordering Timelines

To ensure that all of your catered events receive the proper attention and are successful please note the following notice requirements:

We require a **minimum of 10 business days' notice**. Orders received with less than 10 business days' notice will depend on availability and will be accommodated as close to the requested menu and time as possible.

Guaranteed Numbers

A minimum number of persons attending your event are required at the time of booking, unless otherwise stated. Notification of a final guest count for all catered functions must be confirmed prior to 5 business days of your event. If the final numbers are not received by this time, the previously estimated count will be considered the final number and the invoice will reflect this. The customer will be charged for the final number or the number served, whichever is greater.

Serving Times

Serving times must be finalized at the time of confirmation of the final numbers, 5 business days prior to the event/function.

Pricing

All menu prices are subject to change without notice. Prices on signed contracts are guaranteed. Please note that all menu prices are subject to applicable taxes and service charge.

Special Dietary Requirements

Special dietary or other meal requests can be substituted for your guests (in limited quantities) and must be confirmed two weeks prior to the function or a time of booking, whichever is greater. Guests' names must be provided for any "special meals" required. This will ensure guests, who meals were ordered for, receive them. Should any meals be prepared for guests who did not specify their requirements prior to the event, a charge equal to the menu cost of the meal will be added to the invoice.

Upon completion of your event, the catering coordinator will email a copy of your final invoice to you.

Bar Services

Kitchener Golf is under legal obligation to strictly comply with the regulations of the province of Ontario regarding the sale and consumption of alcoholic beverages. As a host, under the laws of Ontario, we reserve the right to refuse the service of alcoholic beverages to any person. A minimum of \$450 (before tax) in sales must be met during an event. Where sales do not exceed this amount, there will be a charge of \$20.00 per hour (minimum 4 hours) for the bartender. If the total sales exceed \$450 (before tax), there will be no bartender fee. In accordance with the AGCO, government issued photo identification will be asked of guests who appear to be under the age of 25 at all licensed events. Under no circumstances can alcoholic beverages be brought into licensed events without the proper permit from the LCBO. Alcoholic beverages must only be consumed in licensed areas and must not leave designated areas. For more information, please contact the catering coordinator.

Cancellation and Refund Policy

Cancellations require 5 business days' notice to avoid a cancellation penalty. When cancellations occur, a client will be billed for any food costs which are lost due to preparation and ordering times. Weddings are non-refundable.
